“It is my goal to continue to develop distinct and well-liked whiskeys to be enjoyed with the best of company.”

—Jeff Arnett, Company Distilling

MEET JEFF ARNETT 2017 MASTER DISTILLER OF THE YEAR

BACKSTORY

After an edifying twenty year career at Jack Daniel Distillery, Jeff Arnett set out on a new journey to found Company Distilling. With the help of friends, Jeff's new venture has quickly grown into a solid portfolio of three, multi-award winning flagship products in distribution. Each of these expressions pays homage to the past while exploring new grounds with innovative aging processes that incorporate different wood species native to Tennessee.

All three whiskeys provide various degrees of complexity, each with a truly unique flavor profile that can be appreciated by avid whiskey enthusiasts while at the same time remain approachable to whiskey newcomers.
