

STRAIGHT TENNESSEE WHISKEY FINISHED WITH APPLE WOOD

TASTING NOTES

Mellowed through maple charcoal, matured in charred white oak, and finished with toasted apple wood, this spirit celebrates the whiskey-making heritage of Tennessee. Aromas of cinnamon, nutmeg and golden raisins; the flavor is a subtle blend of sweet vanilla, cinnamon, cloves and plums with a warm, oak finish. Silver San Francisco World Spirits Competition and Bronze New York International Spirits Competition winner.
